**MICROFILMING AGREEMENT**

This agreement places the item/s listed below with the Tennessee State Library and Archives (TSLA) for microfilming or photocopying, and for permanent retention of copies made from the original items.

During the time that these items will be at the Tennessee State Library and Archives they will be afforded all reasonable protection and care. When these items are reproduced they will be made available for research and duplicate copies may be made for researchers.

Materials left for microfilming will be:

\_\_\_\_\_Returned to the depositor

\_\_\_\_\_Disposed of at the discretion of the TSLA (requires owner's initials)

Materials left with TSLA over one year from the date received, and following an attempt to contact the owner, will be considered the property of TSLA and will be disposed of at the discretion of TSLA staff. Allowing materials to be microfilmed or photocopied by TSLA does not indicate a transfer of copyright ownership.
